6612 - EQUAL ELBOW 45°	6619 - ELBOW 45° MALE STUD FITTING BSP

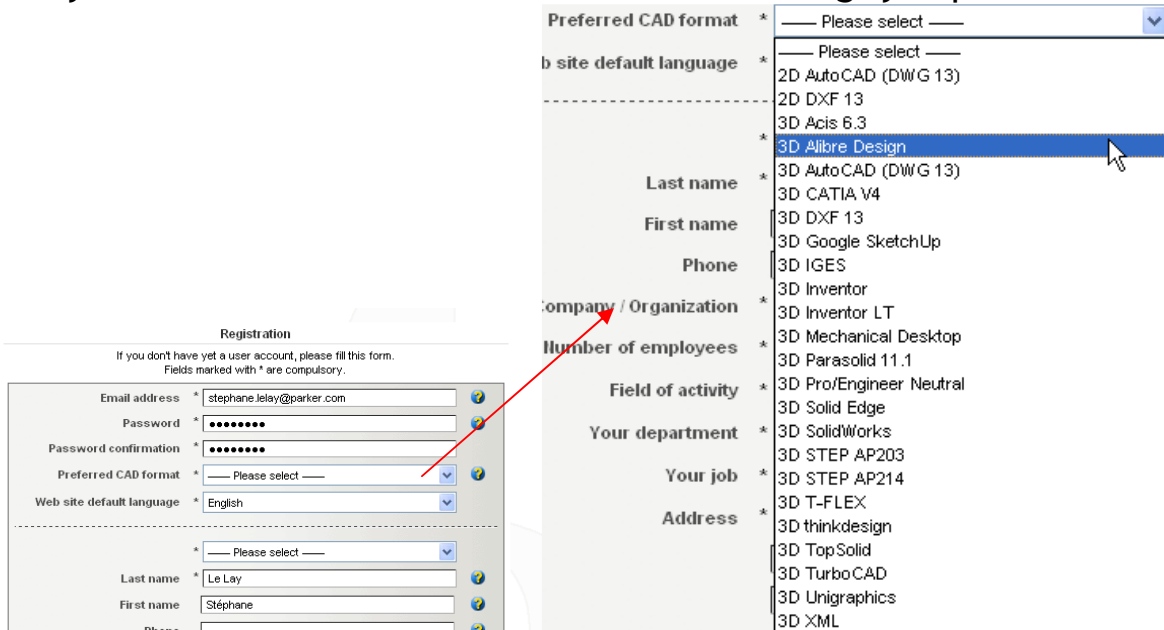

3-Click on Login / register

4-Registration

Enter your contact details and the format of drawings you prefer

5-Opened session is now visualized

The screenshot shows the TraceParts website interface. At the top right, the text "Session opened as **stephane.jelay@parker.com**" is circled in red. Below this, there are navigation links: "All catalogs", "Add to favorites", "Vote for 3D!", "About TraceParts", "Change profile or password", and "Logout". The main header area displays "LEGRIS - TRANSAIR" and a search bar with the text "your search...". To the right of the search bar, it says "1 2 78 type(s) of part(s)". There is also a "Display mode" selector with icons for list, grid, and image views.

6-You can now select drawings !

You can select the display mode : only pictures as hereunder

This screenshot shows the same TraceParts website but with a grid of 3D models of mechanical parts. The user session is still "stephane.jelay@parker.com". The main header area now includes a "Your caddy" section with a "Send by e-mail" button and a "4089 - DOUBLE EQUAL VENTED VALVE" section with "Details" and "3D AutoCAD (DWG 13)" buttons. The search bar is still present. The "Display mode" selector is now set to "Pictures", and a mouse cursor is pointing at it. A "Sponsored link" for "3D² Le journal gratuit de la 3D en 3D Solid Edge" is visible on the right side of the grid.

Or per part number

4002 - DOUBLE EQUAL VALVE	LEGRIS
